

IAAC Meeting [Session 2020-2021]

A meeting of IAAC was held on 13th-14th July 2020 in the principal's office and discuss about the programmes to be organised in the coming session due to pandemic situation in the country.

All the staff members were present in the meeting and there were no student's representatives in the meeting due to Corona virus. In the meeting, proper safety measures were adopted to stop the spread of Corona virus.

After the discussion with staff members regarding the need of present day scenario and to enhance the teaching learning experiences, the various activities were planned to do work in the coming weeks.

The need of the hour is to use online mode of teaching learning process rather than theoretical aspect, practical approach will be used.

Activities to be planned in the the session 2020-21.

Activity I - How to make online

teaching more effective. Mrs Jasurat Kaur Asstt Prof. in Computer Education will organise different online meetings with staff and make them efficient to use online mode of teaching and make different sessions of teaching concepts.

Activity : II Different activities will be organised in online mode time to time, so that we can use students viewpoints regarding corona virus and make them aware about the critical situation prevailing in the nation. Mrs. Gurpreet Kaur will organise different activities in online mode in the campus.

Activity III :- Online International webinar on Reflections on National Education Policy 2020.

Principal assigned this duty to Mrs. Rajneet Kaur and Mrs. Maninder Kaur and arrange all the activities concerning International Webinar with full technical equipments.

Activity IV :- Swachta Pakhwada for Developing Environmental consciousness among students.

Principal Mam assigned this duty to organise Swachta Pakhwada to Mrs. Gurpreet Kaur and Mrs. Sunil Gupta.

Action Taken Programme
* Mrs. Jaskuat Kaur worked during Pandemic in an excellent way. College organised different sessions to make use of online mode of teaching and make the students aware about the corona virus.

* Mrs. Gurpreet Kaur planned various activities to be done in the pandemic period. Teaching as well as co-curricular activities were in the form of online mode. Principal Mam orientated teaching faculty about effective online teaching and learning process. She explained various online tools to make it more effective.

* Mrs. Rarnet Kaur and Mrs. Maninder Kaur organised International Webinar on National Education Policy 2020. Dr. Amit Kauts, Dean, Faculty of Education Guru Nanak Dev University, Amritsar presented his keynote address regarding National Education policy. Dr. Deepa Sekand Kauts presented her views as Resource person regarding National Education policy 2020. Prof. Kulwinder Singh Head, Department

of Education, Punjabi University, Patiala was also available in the webinar and present his views on National Education policy.

In this webinar Dr Parminder Kaur Principal Lyallpur Khalsa College of Education for Women shared her views on national policy on Education. This online mode of seminar was great success under the guidance of Mrs. Rameet Kaur and Mrs. Maninder Kaur. Principal Mam appreciated the work done by the faculty members and it was overall a good webinar and very well organised and well planned.

* Mrs. Guneet Kaur and Mrs. Sunil Gupta organised Swachta Pakhwada for developing Environmental Consciousness among Students. Various activities regarding Environmental Consciousness were organised like student's talks regarding the protection of environment and awareness of surroundings neat and clean. online different activities were planned and online essay writing and online slogan writings.

were organised. Students presented their views online through the activities like talk show and motto writing on Environmental Consciousness. There was also provision of essay writing on Gender Equity and various online activities.

Importance of online mode of teaching considered very effective in the Corona period and all the students worked efficiently with the help of technology and other media.
